Course provider description

Please provide a summary description of your company/institution here:

For the benefit of ADIT students, minor amendments may be made to the course provider descriptions prior to publishing (usually to ensure the terminology is consistent with ADIT documents and materials). Significant changes will not be made to course provider descriptions without prior consent.

Descriptions should be brief (under 200 words) and as relevant to ADIT as possible. Examples can be viewed on the [ADIT course provider](#) page.

Any other information (or comments and/or suggestions on how we can improve the way that ADIT course providers are promoted to students):

Publication

Course provider information should be reviewed and updated on an annual basis to ensure published information remains up-to-date and relevant to ADIT students.

The CIOT strives to structure the course provider information published on the website and Prospectus in such a way that ADIT students are able to easily access courses most relevant to them. The CIOT does not favour or endorse individual course providers in any way.

The CIOT does not control or supervise courses which are offered by ADIT course providers, and is not responsible for their content or conduct.

Please return completed course provider information forms to rclarke@adit.org.uk.
